## NEW CORPORATE HEADQUARTERS

In response to rapidly expanding business, ECO CONCEPTS INC., makers of the Green Concepts brand of Safe and Superior Cleaning Solutions, has moved its' Corporate Headquarters Office to the Brickell Business District of Miami.

Brickell, also known as the "Manhattan of Miami," is an ideal location for a growing business. It hosts the country's highest concentration of International banks and is just 20 minutes from Miami International Airport. Notably, the streets of Brickell bring unique shops, brasseries, sidewalk cafes and elegant dining to a truly vibrant business area.

"This is an ideal location for our national and international partners to come to discuss business and be captivated by what the area has to offer," said Jerry Hallmark, President of Eco Concepts.

Hallmark went on to say, "Our move to Brickell has come at a very exciting and opportune time for the company. We are about to launch our new environmentally responsible floor care program in the 3rd quarter of this year, as well as, some other very exciting brand and line extensions".
