

# YOU DESERVE THE BEST!

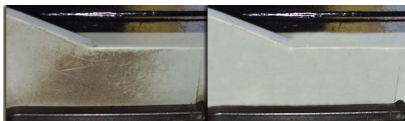

## TRULY GREEN CLEANING • SAFE AND EFFECTIVE

ECO CONCEPTS, INC, a Research and Development company applauded for its SAFE AND SUPERIOR cleaning technology, has been awarded a product partnership with the DfE, "Design for the Environment" program a division of the United States Environmental Protection Agency for (9) of their GREEN CONCEPTS products.

The Carpet and Rug Institute's (CRI) Seal of Approval program addresses the issue of carpet cleaning effectiveness by testing and certifying only those products that meet high performance standards. This not only helps customers recognize quality products, it also helps them understand the best methods for preserving the life and beauty of their carpet. Both GREEN CONCEPTS carpet care products have been awarded certification.
