Pacific Metal-Free Finish

PRODUCT DESCRIPTION

Green Concepts® Pacific Metal Free Floor Finish is designed with the newest in environmentally preferable metal-free polymer technology for sealing and finishing all types of resilient flooring. It contains NO zinc, phthalates or alkyl phenol ethoxylates to harm the environmental or interfere with industrial wastewater treatment processes. This state of the art finish has exceptional gloss, durability, soil resistance, detergent resistance, recoatability, removability.

Green Concepts® Pacific Metal Free Floor Finish is a combination sealer and finish that dries to a smooth, hard, clear and colorless coating in about 30 minutes under normal conditions. This finish is versatile and can be maintained using traditional maintenance procedures including scrub/recoat or high speed burnishing.

To enhance your environmentally preferable hard floor care program, use Green Concepts® hard floor care products to maintain your floors while helping to protect human and environmental health.

DIRECTIONS FOR USE

Application Procedures:

1. Strip floors to remove buildups of old finishes, sealers or waxes.
2. Thoroughly rinse with cold water and let floor dry.
3. Apply thin to medium, even coats of this product with an appropriate finish mop or applicator.
4. Allow each coat to dry before applying next coat. Drying time under normal conditions is 30 minutes.
5. Apply a maximum of 4-6 coats in a 24-hour period.

Maintenance Procedures:

Daily or Routine Care

1. Frequently dust mop or sweep to remove abrasive and gritty soils.
2. Use Green Concepts® Neutral Cleaner to damp mop or auto scrub. Promptly damp mop spills to prevent slips and falls.
3. Buff or burnish if desired with high-speed equipment and the appropriate ultra high speed burnishing or buffing pads.

Weekly Care

1. Deep clean or repair surface coating as needed by deep scrubbing with Green Concepts® Neutral Cleaner.
2. Allow the floor to dry.
3. Burnish or buff the floor with high-speed equipment and appropriate burnish pad. Always dust mop or sweep after burnishing.

Periodic Scrub and Recoat

1. Thoroughly dust mop the floor and remove gum and adhesive stickers.
2. Aggressively auto-scrub the floor using a red or green scrub floor pad and Green Concepts® Neutral Cleaner.
3. Rinse floor with cold water and allow it to dry.

Apply this product as directed in Application Procedures above.

NOTE: Use Green Concepts® Wax and Finish Remover when it is time to strip and recoat.

Use-Diluted Volatile Organic Compounds (VOC's): 4.3%

Acabado Para Pisos

MODO DE EMPLEO:

Procedimiento para aplicarlo:

1. Limpiar o raspar bien el suelo para remover la acumulación de acabados, selladores o ceras aplicadas anteriormente.
2. Enjuagar muy bien con agua fría y dejar que se seque el piso.
3. Aplicar uniformemente capas ligeras a medianas del producto con un trapeador adecuado o un aplicador.
4. Permitir que se seque cada capa de producto que haya aplicado antes de aplicar la siguiente. El tiempo para secarse, bajo condiciones normales, es de 30 minutos.
5. Aplicar un máximo de 4 a 6 capas en un lapso de 24 horas.

Procedimiento para el mantenimiento:

Cuidado diario o rutinario

1. Barrer o pasar un trapeador en seco para quitar la basura abrasiva y arenosa.
2. Utilizar el Limpiador Neutral Green Concepts® y humedecer el trapeador o la máquina restregadora. Inmediatamente limpiar los derrames que hayan ocurrido para evitar deslizamientos o caídas.
3. Si se desea, sacar brillo o pulir con equipo de alta velocidad y las arandelas de alta velocidad apropiados para pulir o sacar brillo.

Cuidado Semanal

1. Si es necesario, llevar a cabo una limpieza profunda o reparar el revestimiento del área restregando dicha área profundamente con el Limpiador Neutral Green Concepts®.
2. Permitir que el piso se seque.
3. Pulir o sacar brillo al piso con el equipo apropiado de alta velocidad y las arandelas para pulir adecuadas. Después de sacar brillo al piso, pasar el trapeador en seco o barrer el piso.

Cuidado periódico de restregado y recubrimiento

1. Pasar un trapeador en seco cuidadosamente al piso y quitar los chicles que se encuentren o las etiquetas adhesivas.
 2. Utilizar agresivamente la máquina restregadora en el piso usando las arandelas rojas o verdes para piso y el Limpiador Neutral Green Concepts®.
 3. Enjuagar el piso con agua fría y permitir que se seque.
- Aplicar este producto como se ha indicado anteriormente.

NOTA: Utilizar la Cera Green Concepts® y el Removedor de Acabados cuando sea tiempo de quitar las capas anteriores y recubrir el piso con capas nuevas.

CAUTION: MAY CAUSE EYE IRRITATION. Avoid contact with eyes. FIRST AID: In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. If easy to do, remove contact lenses, if worn. If irritation persists get medical attention. Please use rubber gloves and safety glasses/goggles when handling the concentrated product. KEEP OUT OF REACH OF CHILDREN.

PRECAUCION: PUEDE CAUSAR IRRITACION A LOS OJOS. Evite el contacto con los ojos. PRIMEROS AUXILIOS: En caso que halla contacto, enjuagueze inmediatamente con bastante agua por lo menos 15 minutos. Y si es persiste la irritación, tome atención medica. Por favor, use guantes de goma y anteojos /gafas protectoras cuando esté en contacto con el producto concentrado. MANTÉNGALO FUERA DEL ALCANCE DE LOS NIÑOS.

PRODUCT: Dispose of in accordance with local authority regulations.

PRODUCTO: Deséchelo de acuerdo a lasnormas de la autoridad local.

RECYCLING: This product package including the container, closure, label and shipping carton are all designed to be recycled.
